The lecture delivered Sunday night at Fern hall by Evangelist T. H. Coopwood, was well attended and all enjoyed the services much. He discussed the resurrection of the just and unjust, concluding with a brief description of the destruction of the wicked and the earth made new. EPISCOPALIANS TENDER BRILLIANT RECEPTION TO FATHER RAHMING.

On last Thursday evening, at the residence of Mr. and Mrs. Chester Stell, 2427 Ogden street, was the occasion of a notable reception to Rev. Father H. E. Rahming, the new priest, who comes to take charge of the Redeemer. The reception was a large affair and attended by all of the ministers of the colored churches in the city, together with the business and professional men and women and the social elites. Father Rahming comes to us from Kansas City, Mo., and all Denver extends him a hearty welcome.

READ AND THINK.

The Universal Negro Improvement Association.

To establish a universal confraternity among the race; to promote the spirit of pride and love; to administer to and assist the needy.

Hear the principles of this organization expounded through the scholastic orator, the Hon. James D. Brooks, secretary general. Will arrive in Denver in February.

Y. M. C. A. NOTES.

The annual financial and statistical reports, both for the men's and the boys' departments, have been completed and are now ready for the printers. Look for them in these NOTES next week. The branch has again closed the year without a single bill remaining over to be paid. This good showing is due to the loyalty and interest of our people in this city.

Secretary Townsend, James Washington, James Sims and Alvin Rucker have returned from Greeley, where they went to attend the Older Boys' Conference of this state. They report that a very pleasant and profitable time was spent, and they were shown every courtesy by the people. A reception will be given for them next Monday evening (the 24th) at the Y. M. C. A. building, to which all boys are invited.

On account of other meetings outside the attendance at the meeting last Sunday afternoon was below the average. It was a pity, because Father Rahming gave a splendid talk. He spoke on the "Romance in Religion," pointing out that religion, like other things, has a romantic side only when it can be shown that sacrifices have been made and our promises kept with God.

The meeting tomorrow (Sunday) afternoon will be addressed by the Rev. Dr. C. A. MacDonald, pastor of the Highlands Christian Church. He is a whopping good speaker. The meeting will begin at 4 o'clock, closing at 5. All will be welcome.

On Thursday evening next, the 27th, a big social and debate will be held between the Y. M. C. A. and the Colored Civic League. The subject will be, "Would gradual emigration of the Negro to Africa relieve the racial feeling in the United States?" The public will want to hear. It will be a red-hot time.

BOYS' NOTES.

Our boys and their leaders leave a lasting impression with all those that attended the Northern Colorado Older Boys' Conference by crowning themselves with glory while at Greeley last week. The most lasting and deepest impression was made by James Sims of East Denver high, who was elected over a white Denver boy, by popular vote of the Denver delegation, which consisted of fifty-five boys, by a vote of 45-9; to be the spokesman of the Denver delegation at the closing meeting of the conference. This meeting was held Sunday evening, at the Sterling theater, before a packed house, and Sims proved himself more than equal to the task by the masterly way he presented his subject.

James Washington also left a good impression when he spoke before the Young People's Society at the Union Church, Sunday evening. Mr. Alva Rucker, the leader of the Hi-Y, and a student of D. U., won the respect of all with his pleasing personality. It was one time when the color line was forgotten and all were boys together.

Mr. Townsend, our boys' secretary, proved himself a good mixer and won the respect of all the boys and their leaders. Saturday noon he was selected to sing with the leaders' quartet, and in the afternoon was made official referee of the basketball games between the different delegations. Sunday evening, at the closing meeting of the conference, he was introduced to the audience by the state boys' secretary and was the recipient of a deafening round of applause. This conference meant much to our boys and we are only sorry that more of our boys could not attend.

Sunday afternoon the Other Fellows' Club will elect their new officers at 3 o'clock. All boys are urged to be out and put in the boys who they think should lead this club. Good musical program. Don't miss this treat.

If your boy is looking for a place to go after school send him to the "Y," where there is something doing every minute.

SCOUT NOTES.

Keep your eyes on the Scout Week, beginning Feb. 6 to 12. Sunday, Feb. 6, will open the program. At each troop's church a special sermon will be preached to the Scouts. Feb. 7 will be a Father, Mother and Son's banquet. Tickets will be on sale by the district committee. This will be a very large affair. Buy your tickets early so the committee will know how to prepare. Every day of the week will be given to Scout activities. The full program will be published in next issue.

A drum corps was organized Jan. 18 with eleven boys at the beginning. We

have twenty-four drums. The boys take to it like wildfire.

Sunday, Jan. 23, every Scout and every committeeman on the Booker T. Washington District will meet at the Y. M. C. A. at 1:45 sharp to have a picture taken. If you are late you will be left out. Let's all join hands and make a gay week of it.

In Using Long Distance---

In placing a call to a distant point, thought should be taken of the convenience of the person called, and of others who wish to use the line.

It isn't a kind act to place a long-distance call and then leave your telephone before connection is made with the distant person. For instance, you place a call for a busy man in Busyville. Then you leave your office. Meanwhile, the Busyville man is called, he answers, the operator rings your telephone and there is no response, or she is told you have stepped out. It is not only annoying to the person called, but others who are waiting have been delayed in securing the circuit.

If you MUST leave the telephone before the call has been completed, please notify "Long Distance" at what telephone you can be called. This will prevent inconvenience to the person called and will conserve the use of long-distance facilities.

Each subscriber is an essential factor in good telephone service, and we will greatly appreciate during this year, as in the past, your doing your part in the use of your telephone, and your friendly attitude towards our efforts to make the service the best possible.

By the Way---

Are you taking advantage of our reduced Evening and Night Rates? Between 8:30 p. m. and midnight, station-to-station calls—that is, calls for numbers only and not for a particular person—are ONE-HALF the day rate. Between midnight and 4:30 a. m. such calls are ONE-FOURTH the day rate.

TRY THESE RATES ON YOUR TELEPHONE.

Bedrock

☐ The synonym for unshakable solidity is "bedrock."

☐ Literally and figuratively, the newly installed SAFETY DEPOSIT BOX DEPARTMENT of The First National Bank rests upon BEDROCK.

☐ The tons of reinforced steel and cement which form the foundation for the massive vaults are merged with Mother Earth itself. To tunnel into this stronghold, one would have to start somewhere in China.

☐ Indeed, so ponderously secure are these vaults that they are capable of defying the most determined assaults of either man or nature.

☐ "Getting down to bedrock" is typical of The First National, not only in building safety deposit vaults, but in general management and methods. It means not only the MAXIMUM OF SAFETY, but the MAXIMUM OF SERVICE. Our banking principles and practice are both founded upon BEDROCK.

☐ The work of completing the new SAFETY DEPOSIT BOX DEPARTMENT is now proceeding swiftly and the first unit of 4,000 boxes will be ready for active use on and after MARCH FIFTEENTH. Please make your applications for box reservations at

Window No. 6

☐ Do not delay, as the demand already is heavy.
