Full Text of the Correspondence With
Roscoe Conkling as Counsel for the
Democratic in the New
York State Canvass.

GENERAL POLITICAL NEWS NOTES

That Conkling Correspondence.
New York, Nov. 25.—The following is
the letter of the Democratic na-
tional committee to ex-United
States Senator Conkling asking his
services as counsel during the canvass
of the votes cast in the recent election.
New York, Nov. 25, 1884.—My Dear
Sir:—There seems to be reason to ap-
prehend a design to involve in lit-
igation and uncertainty the
presidential election of 1884. The
Democratic committee have no
doubt of the result of the election, and
wish to establish the exact truth in the
mode prescribed by law. At the same
time the wish is strong to spare the
country a period of agitation and ex-
citement. We ask you, as counsel,
to give such advice and suggest such action
as will aid in the prompt and lawful as-
certaining of the truth. This is all
we mean ourselves and all we shall ex-
pect of you.
Yours truly,
W. E. Harris,
Chairman Executive Committee.
Hon. Roscoe Conkling, 2 Wall Street, New
York.

MR. CONKLING'S REPLY.
New York, Nov. 18.—My Dear Sir:—
Your letter of the day before yester-
day has been carefully considered. I am
in full accord with the purpose
you declare. Nothing could be more
plainly hurtful to the state of New York
and the country than a successful at-
tempt to confuse and mislead the
result of the late presidential elec-
tion. The modest of the law, quietly and
honestly observed, will quickly reveal
and establish the actual truth.
To assist in ascertaining this is a clear duty
resting on every citizen, regardless of
his party attachments. I am at the
service of your committee for all that
my power in this behalf
can do, and for all I can do to
prevent and oppose any effort
to dispute by technicalities the
verdict which has been rendered, or to
hinder or delay its execution.
Your obedient servant,
Roscoe Conkling.
Committee.

That Chicago Contest Count.
Chicago, Nov. 25.—In the Leman-
Brand election contest, after a protracted
argument in the Federal court, Judge
Bridgett ruled that the ballots must be
produced before the grand jury to be ex-
amined. The ballots, however, are to be
canvassed solely with a view to ascertain
whether they have been tampered with
in connection with the vote for congress-
man, and that the investigation is not ex-
pected to have any bearing upon the
Leman-Brand senatorial fight, except in a
general way.

BRAND WINS AT LAST.
In the Leman-Brand contest the canvass
of votes began at 2 o'clock this
afternoon and was not completed
till a late hour to-night. The result of
the canvass was not made public, but
the times will state that the Brand-
Leman matter was examined and that
it showed Brand (Democrat) received
in fact about 25 more votes than
Leman. It was credited with only
the tally sheet, while Leman
showed correspondingly fewer, making
Brand's majority in that precinct about
90 instead of 10; that the ballots
were all in proper order and conse-
quently numbered, and that Brand's ex-
tra vote over the other Democrats on
the ticket was due to the presence of
scores of hundreds of Republican
tickets which contained Brand's name,
not posted on, but printed in regular
form with the rest of the ticket.

Copying After Chicago.
INDIANAPOLIS, Nov. 25.—A recount
of the vote on the offices of county trans-
porter and county commissioner at the late
election having been demanded by the
defeated Republican candidates, the
commissioners met to-day to begin the
work. They found on entering the
room in the court-house, where the bal-
lots are kept, that the boxes of three
precincts had been carried off and the
ballots of the precincts emptied on the
floor and so mixed up with the ballots
of 1882 as to make it almost impossible
to separate them. This will probably de-
feat the efforts of the unsuccessful can-
didates and secure the offices. The com-
missioners for the present successful can-
didates were less than fifty.

In the circuit court this afternoon
counsel for the Democrats moved to
vacate the order for a recount. Judge
Ayres, after argument, denied the mo-
tion, but gave counsel till 2 o'clock to-
morrow to the authorities in support of
the motion.

The board of state canvassers con-
tinued its work to-day. A number of
unimportant irregularities were dis-
covered, but the result till to-morrow.

New Jersey Official.
TRENTON, N. J., Nov. 25.—The state
board of canvassers completed the canvass
this morning, the result showing
Republican plurality to be 4,352. The
vote being: Cleveland, 127,784;
Blaine, 125,422; St. John, 6,153; Butler,
2,407. The Democrats elected Green,
Reacock and McAdoo to congress. The
Republicans elected Hires, Buchanan,
Philips and Lehigh.

A Tide-Water Time.
NORFOLK, Nov. 25.—The Democratic
demonstration to-night in honor of the
election of Cleveland and Hendricks,
was participated in by all the cities and
counties in this congressional district.
It was the grandest affair ever seen in
Tidewater, Virginia.

A Virginia Demonstration.
PETERSBURG, Nov. 25.—The Demo-
cratic demonstration here to-night was
the grandest affair ever witnessed in
Petersburg. The streets through which
the procession passed were thronged
with people. There were a number of
colored men in the line.

Negro Meeting in Georgia.
ATLANTA, GA., Nov. 25.—There was a
mass meeting of colored citizens here
to-night to consider the effect a change
in the national administration would
have on the colored people
in the south. By request Senator Col-

quitt spoke. He said the two races
would now be brought nearer to-
gether and would understand each
other better than ever before. He as-
sured the colored men that their rights
would be guarded as zealously by the
Democratic state and national
administration as if they were
white. Letters were sent from
Gov. McDaniel and Senator Brown.
Speeches were also made by
H. H. Tucker and Major
Goodwin. Gov. Cleveland's recent
utterance, assuring the negroes that
every right they possess should be pro-
tected by his administration, was re-
peated and read amid the cheers of the
colored men.

tory special says: Sheriff Cook has just
returned from Davenport, where the mob
ought sight of his posse, immediately
surrendered and allowed the records to
be removed in peace.

Mr. and Mrs. Hendricks.
NEW YORK, Nov. 25.—Vice-President-
elect Hendricks remained in Newark,
on last night, after having delivered
his speech in that city. He came to
New York this morning, where he was
joined by his wife, and the couple de-
parted for their home.

of scattering votes were cast for St. John
under wrong names.

FROM FORT WORTH.

MR MORPHY RISES TO EXPLAIN

His Version of the Indictments Against
Him and the Transactions That
Brought Them About—
THE OLLIUM STARS—BLOW-OUT.

FORT WORTH, Nov. 25.—(Special.)—
Mr. Morphy desires that he may be set
before the readers of the HERALD in the
proper light, and give these facts about
the indictment found against him: The
cattle belonged to Crane, of Kansas
City, and were sold to J. F. Crane & Co.
Two months were taken at Crane's ex-
pense, which the cattle sold on time
rather than be sacrificed. The invest-
ment company, limited, acted as com-
mission merchants in the transaction,
and the \$5,000 was entered on their books
as a credit to Crane. The notes were
negotiated by Morphy for the invest-
ment company, and the money went
into the common treasury, not into
his private pocket. He himself
could not be expected to pay the \$5,000
to Crane. He further states that Crane,
through his lawyer, offered to com-
pound the claim, and if Morphy did not
pay said he would secure the indict-
ment, which was done as the result
shows. Morphy would not compromise,
and told them to crack their whips. In
the case of obstructing a public high-
way, the Texas & Pacific track, he
points to the fact that the foreman of
the grand jury, the president of the
Fort Worth Street Railway company—a
significant one, especially as the Fort
Worth Street Railway company is fight-
ing his road, the Houston and Texas
Central.
The Ollium mills began operation to-day.
Arrangements are nearly complete
for the grand parade of Thursday night,
and many visitors from Dallas are ex-
pected to be present.

San Antonio Races.

SAN ANTONIO, Nov. 25.—(Special.)—
First day's racing at San Antonio Driv-
ing park. Weather clear and cool. At-
tendance fair and track in fine condi-
tion.

First Race—Trotting, 225 class, purse,
\$500. Four starters: Rocky Mountain Tom
..... 4 2 4 1 1
Grand Duke 2 1 3 4 3
..... 1 1 1 4 2 2
Reed Defiance 1 1 1 4 2 2
Second Race—One and one-half mile
dash, purse \$500, won by Hattie Kichba.
Third Race—Trotting, 220 class, purse
\$500. Three starters:
Felix Wright 2 1 2 1 1
..... 2 1 1 2 2
Missie Bow 1 1 1 2 2
Fourth Race—Three quarters of a mile
dash, purse \$500. Four starters:
..... 1 1 1 2 2
..... 1 1 1 2 2
..... 1 1 1 2 2
..... 1 1 1 2 2

It was a bad day for favorites. Rocky
Mountain Tom, a Dallas horse, winner
of the first trotting race, sold away down
in the pools. The best trotting on re-
cord, in Texas in the 225 class, was
made by Felix in the third event.
The city has a great many visitors, and
a large turnout is expected for the en-
suing days of the meeting.

The Plenary Council.

BALTIMORE, Nov. 25.—The regular
daily secret session of the plenary coun-
cil was held to-day with a full at-
tendance of members. The reports of com-
mittees are now nearly all in and the
remainder of the time appointed for the
sitting of the council will be occupied
in the discussion of decrees. As busi-
ness draws towards a close there is even
greater reference made to the part of the
members. There was a meeting of
bishops and theologians this afternoon.

A Treaty of Peace.

CHICAGO, Nov. 25.—A meeting of gen-
eral passenger agents of lines west of
the western terminus of the sea board
trunk lines, which embrace roads
from Buffalo west to the Mis-
souri river, was held to-day,
with a view to the restoration
of passenger rates both ways between
the points named. The situation was
discussed at length and found to be full
of complication. The chief difficulty
lies in that portion of the territory west
of Chicago, in which the rate war has
been active for some time. The
lines east of Chicago have
unwillingly forced into it in order to
protect their through business, and have
made cut rates thence sufficient to in-
duce travelers to purchase tickets at
local rates to Chicago for the purpose of
their taking advantage of the nominal
rates to Missouri river points. A com-
mittee was appointed to draw up a plan
for a restoration, to report to the meet-
ing to-morrow.

The discussion was almost exclusively
devoted to this phase of the question, as
the immediate restoration of rates be-
tween Chicago and the Missouri river is
not considered feasible. The point at
issue was how to confine the effects of
the war to roads west of Chicago,
leaving those between Chicago and Buf-
falo in position to charge full rates. The
later roads appointed a committee to
draft a memorial. This was done and a
memorial adopted at a subsequent meet-
ing, warning the western
lines in all their moves against each
other to have in view the rights and in-
terests of their connections eastward.
This will be presented to the meeting of
the Missouri river line next Friday.

Tone of the Stock Market.

NEW YORK, Nov. 25.—Governments
strong.

State bonds quiet.

Railways higher.

The stock market was characterized
by activity and strength. There were
fractional reactions at intervals, but
with the exception of Northern Pacific
and Oregon Transcontinental, the entire
list is higher compared with Monday's
closing. Reports were current that the
passenger rates war would be settled
shortly both here and in the
west. The rumors fright-
ened the hours late covering, and
as the market is heavily overbought they
were quick to run. The feature of the
market was gaugers, Lackawanna and
Frank Line shares. Prices advanced 1/2
to 2 1/2 per cent. Rock Island leading
with sales up to 110. Northwestern
rose 2 1/2 to 9 1/2; St. Paul 2 to 7 1/2; Lacka-
wanna, 1 1/2 to 10 1/2; Delaware & Hud-
son, 1/2 to 9 1/2; Lake Shore, 2 1/2 to 6 1/2;
Missouri Pacific, 1/2 to 9 1/2; New York
Central, 1 1/2 to 8 1/2; Erie, 1/2 to 14 1/2;
Omaha, 1/2 to 50; Union Pacific, 1/2 to
5 1/2; and Western Union, 1/2 to 6 1/2.
Northern Pacific and Oregon
Transcontinental were weak, fall-
ing off 1/2 to 1 1/2 for
Northern Pacific, 1 to 4 1/2 for preferred,
and 1/2 to 1 1/2 for Oregon Transconti-
nental. In the afternoon Northern Pa-
cific preferred was firmer, in sympathy
with the strength in the general list,
the stock selling up to 4 1/2. The market
closed strong at nearly the highest
figure of the day, with last night's
closing prices are 1/2 to 3/4 per
cent. higher.

Transactions, 266,000 shares.

Another Road Across the Continent.

PORTLAND, OREGON, Nov. 25.—The Oregonian's
Huntington, Oregon, special says: At
3:30 this afternoon the formal ceremony
of connecting the Oregon rail-
way and navigation com-
pany's system of roads
with the Oregon Short Line, took place
here, thus completing the fourth trans-
continental line. The last spike was
driven by officials of the Ore-
gon Railway & Navigation
company and the Union Pacific
roads. Immediately following the ceremony
a special train of the Oregon road ran
down to the Idaho line, crossing the
cable bridge, the new line the
entire distance from Omaha to Port-
land, Oregon, is in complete readiness
for traffic. Through freight will be re-
ceived to-morrow at both ends. The
track is pronounced by experts to be the
finest west of the Missouri river.

The Reorganized Erie.

NEW YORK, Nov. 25.—The new board
of the Erie road met at 3 o'clock this af-
ternoon and organized by the election
of the following officers:
President—John King.
Vice-President—E. S. Brown.
Treasurer—Charles G. Lincoln.
Secretary—W. R. MacBroom.
Bird W. Spencer resigned as treas-
urer, and Charles G. Barber as assistant
to the president.

After the meeting, J. G. McCullough
said in convention that the key
note of the organized management
would be reform. Salaries would be
reduced, beginning in the general
offices, where a cut would
be from 25 to 50 per cent.
Other departments would follow. No
sweeping discharges are contemplated.
The United States express company
would stay on the road.

Chicago Wants an Appropriation.
ST. LOUIS, Nov. 25.—J. C. Dore, a mer-
chant of Chicago, is here to ask the co-
operation of the merchants exchange of
this city in the scheme of the Chicago
board of trade to induce congress
to make an appropriation for the im-
provement of the Illinois and Michigan
canal, which connects Chicago with the
Illinois river. President Francis called
a meeting of the Mississippi river im-
provement committee of the exchange,
which will take action in the matter to-
morrow.

New Orleans Trades and Labor Turnout.

NEW ORLEANS, Nov. 25.—The third
annual parade of the Central Trades
and Labor assembly took place to-day.
Several thousand men were in line.
The procession was fifty minutes in
passing a given point.

The Belcher Sugar Refining Company.

ST. LOUIS, Nov. 25.—The directors of
the Belcher Sugar Refining company
held a meeting this afternoon to hear

the report of the committee on the advi-
sability of asking the stockholders to cut
up 40 per cent. of their stock to raise
a working capital. The committee
reported adversely on the scheme.
Another committee was appointed to
confer with the stockholders and report
to another meeting to be held next Sat-
urday. It is stated that if the stockhold-
ers will endorse 40 per cent. of their
stock, the directors will endorse 40 per
cent. of their stock. The
directors will agree to raise the money
necessary to continue operations one
year, but if they will not do this the di-
rectors ask them to take off their
hands the \$747,000 worth of bonds, the
major part of which are held by the di-
rectors, and they will raise the necessary
capital themselves.

The Carpet Weavers.
PHILADELPHIA, Nov. 25.—The striking
ingrain carpet weavers held a meeting
this afternoon. Seven hundred strikers
were present. The arbitration committee
reported that several manufacturers de-
clined to confer with them; that but very
little satisfaction could be expected from
them. The meeting thereupon decided
to abolish the arbitration committee and
have no further communication with the
manufacturers. They also agreed
upon remaining in their demand and
not to return to work unless the
old rate of wages should be paid. A
committee was appointed to look after
all persons in distress and furnish funds
to alleviate their sufferings. It was an-
nounced that 600 weavers had already
affiliated themselves with the Knights
of Labor, and that 200 others would join.

St. Louis to Memphis Direct.
ST. LOUIS, Nov. 25.—The Missouri Pa-
cific will on the 30th instant commence
running sleepers and coaches direct
from here to Memphis. They will go
from here to Hoxie, Arkansas, by the
Iron Mountain road, and from there be-
tween Memphis and St. Louis, they will
take the line to Memphis. This will
shorten the time two to five hours and
avoid changing cars as now.

Chinese Exhibits for New Orleans.
SAN FRANCISCO, Nov. 25.—The City of
Tokio, which arrived yesterday, brought
fifty-six cases of exhibits for the World's
fair in New Orleans. Com. Knopfer
and two Chinese accompany them.
Forty-six other cases were sent from
Shanghai direct to New Orleans by
steamer.

Woolen Mills Close.
CINCINNATI, Nov. 25.—Next Saturday
the Fairmount woolen mills, of this
city, shut down for an indefinite period.
This is said to be in accordance with the
arrangement that all mills of the Alle-
ghenies entered into, by reason of over-
production and dull trade.

Shaving the Spinners.
WOONSOCKET, R. I., Nov. 25.—Notices
were posted yesterday in the Globe,
Nourae and Social mills, the three
largest cotton spinning mills here, of a re-
duction of wages on December 5.

Stopped Rolling.

READING, Nov. 25.—The rolling mill at
Blanton, this county, suspended opera-
tions to-day, throwing 150 men out of
work.

Corisiana Callings.

CONSCIENCE, Nov. 25.—(Special.)—Mr.
Shook, of Kaufman, has associated
himself with the journal.
W. F. Clement's infant child is lying
at the point of death.

Next Tuesday Judge Bradley will sit
upon the injunction suit against the re-
cently-elected aldermen, F. W. Fanning
and W. J. Kerr.

Mr. Zodek, the new postmaster, says
the HERALD correspondent misrepres-
ented him in last Sunday's HERALD.
The correspondent only quoted the
words of Postmaster Ryan, and he, Mr.
Ryan, said to the HERALD correspond-
ent to-day that the HERALD was correct.
The following names are given as
issued to-day: J. E. Wallace to Miss
Minnie Haden; Calvin L. Wilson to
Miss Mary A. Loughbridge.

J. W. Clifton alias W. H. Hill, who is
known in this place as a gentleman of
unsavory proclivities, was run in this
morning at the muzzle of a six-shooter.
He (Clifton alias Hill) was coming down
the road this morning, and as he was
returning the money, Mr. Cooper, more
confident than thoughtful, handed the
gentleman \$20. When the train reached
Corisiana Mr. Clifton alias Hill, hopped
to think he had business up town, and
jumped off the train and alighted. After
the train pulled out, Mr. Cooper related
his story to the conductor, who advised
him to go back and put his case in the
hands of the police. The conductor let
him off, and he came back and reported
the case to our police. Mr.
Cooper disguised himself and
at once commenced a rigorous search
for his dear friend. It was not long till
Mr. Cooper came marching his man up
Berion street, on the double quick,
under cover of a six shooter. He was
conducted before the recorder's court
and waived examination till to-morrow
morning.

Mrs. Nellie V. Smith, wife of Rev.
Hugh Calvin Smith, pastor of the First
Presbyterian church of this city, has
been lying very sick at Waco for some
time. Her many friends throughout
the state will be happy to learn that she
is now convalescent.

The local Womans Christian Temper-
ance Union, of this city, convened at
the Baptist church this afternoon and
installed their new members.

MATTERS AT MARSHALL.

Attempt at Burglary—Burned to Death—
A Methodist Minister.

MARSHALL, Nov. 25.—(Special.)—An
attempt was made last night to bur-
gle the store-house of Angus Blacklock,
situated about four miles from the city.
Several shots were fired at the thief, but
he escaped. A writ has been issued for
the arrest of a certain negro man who is
strongly suspected.

Miss Billy May, while laboring under
the influence of an epileptic fit, fell in
the fire and was so badly burned about
the head and face that she died in a few
hours.

Rev. James Campbell will minister to
the spiritual wants of our Methodist
brethren for the next two weeks. He
says the conference.

The St. Louis opera-house to be Rebuilt
ST. LOUIS, Nov. 25.—Pierre Chouteau,
owner of the Grand opera-house, has de-
cided to rebuild that theatre. The work
is to be commenced at once, and the
building to be completed for
next season. The new house
is to be 10 feet deeper than the old one,
and the result will be a
theatre of 1,500 seats. The
construction, except where it is ab-
solutely necessary.
