Mrs. Viola Pinchback, the daughter of Mr. and Mrs. Wesley Lyons, arrived last week from Los Angeles to be at her mother's bedside.

VICTOR WALKER, assistant deputy sheriff, continues to give satisfaction to the department and his chief in spite of the knocks resulting from petty jealousy. Mr. Walker, reflecting on the days of his youth when he worshipped with the family circle, has decided to become a member of the Episcopal Church of the Holy Redeemer and is receiving instructions with others in the class for Confirmation. A member of the Elks Lodge, Mountain No. 39, and its presiding officer; also member of the N. A. A. C. P. and other institutions, Mr. Walker continues his assistance to all worthy cases of charity and contributes unstintingly to all organizations for the welfare of his people.

THE MODERN GIRLS OF '76.

TALENT! Yes, talent we say and have always said, is right here in Denver, only if our people would resolve to maintain same, by engaging a little sacrifice and having more pride in themselves and their ability to do things. "The Modern Girls of '76" did justice to our thoughts about the Denver youths, when a number of our young matrons and spinsters presented at Fern hall last Wednesday evening, "December's May" in character. About fourteen of our young people, assisted by Prof. Geo. Morrison's Orchestra, with a good stage-setting and pleasing scenery, delighted the capacity house, the audience from their applause and general remarks expressing entire satisfaction. For amateurs we compare them very favorably with some foreign talent that we have paid high prices and came away dissatisfied, but ENCOURAGE THE YOUTH OF THE WEST is our slogan; take up the cry, and let us support their efforts. Congratulations to the promoters. Come again! We are here to welcome you.

ANNUAL THANKSGIVING SERVICES OF KNIGHTS OF PYTHIAS.

The annual thanksgiving services of the Knights of Pythias and Courts of Calanthe were held last Sunday afternoon. Headed by a brass band the Uniform Rank led the procession to St. Stephen's Baptist Church, Thirty-second and Lafayette streets, where the services were held. The church was packed with those who were anxious to hear the onward progress of this enterprising organization and its auxiliaries. Rev. Floyd Smith, who preached the sermon, deserves all the credit that he is receiving for the very able manner in which he enlightened the audience with his brilliant remarks on Pythianism.

SCOUT NOTES.

The prospective hike of Saturday, the 26th, of the Boy Scouts of our district was annulled on account of the storm, nevertheless Lee, Spriggs, Colquit and Hackley, four of the braves with loaded packs, faced the elements and hiked to Camp De Rieques, camped over night, came back Sunday. They reported the best time of their lives.

Hail, Scouts, don't be a tenderfoot all the while; show your colors and be a soldier.

The drum corps is doing splendid work. The orchestra has filled several engagements of late and is on the road to success.

Y. M. C. A. NOTES.

Last week was a gala one for the boys, for school did not "keep." Some good games of baseball were played. The high school boys lost the series they played with one of the white teams, but made a fine and creditable showing. Some good games of indoor were also played on the playgrounds. At the bathhouse swimming and gymnastic exercises were conducted in which many boys took part. A large number of men also took part in the

swimming exercises. Billiards and other indoor games were slighted on account of the good weather.

Although three months ahead of time the croquet players are as active as bees. Many good and strong games have already been played, especially in singles. The record so far stands as follows: King 8, Star 12; King 2, Stripling 4; King 1, Sims 4. All the players up to this time are leading King, not because he plays poorer than last year, but because the other players are playing better. Other records will be reported next week.

The Easter program was not attended by a large number, owing to annual sermons, funerals, etc., but it was very interesting. Little Walter Marshall captured the audience by his violin playing. The other small boys also were splendidly received. Mrs. Rice-Davis presided at the piano.

Owing to certain conditions arising at the time, it was found impossible to begin the budget drive last Tuesday as had been planned. It has been set for April 9th. All team workers are holding themselves in readiness for the work.

At the meeting tomorrow (Sunday) afternoon the Rev. Mr. Cooperwood, pastor of the Seventh Day Adventist Church, will speak. Special music by Mr. Clark and Mrs. Williams, accompanied by Mrs. Craig. The program begins at 4 o'clock. All will be welcome.

ENTHUSIASTIC MEETING HELD.

(By Geo. R. Brushwood.)

Over eighty persons assembled last Tuesday evening in the meeting rooms of the Universal Negro Improvement Association in response to an invitation for a heart-to-heart talk on the impressions made from the recent visit of the Hon. James D. Brooks of New York, Secretary-General of the above association.

It has been a long time that such a spirit for united action and a desire for organized efforts have been displayed among our people in this city, and at the close of the meeting the prevailing sentiment resolved itself to an anxiety to band ourselves in one common brotherhood to win recognition from the other peoples and races of the world.

Youth and old age co-mingled, and the freedom in which they gave vent to their expressions of cheer, good will and encouragement to their own cause furnished proof that the present economic conditions were forcing the together spirit among our people, and they are determined to work out their own salvation.

Inspiring talks from men and women who were the victims of prejudice and discriminations brought forth an union of action, and emphatic statements were made that we do not intend to be parasites, but throwing ourselves on the strength of Almighty God and the help of ourselves, we will go forward to maintain a righteous cause.

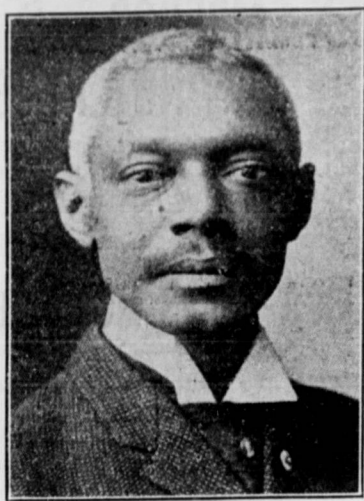

Members re-dedicated themselves to the cause of the Redemption of Africa, and one member filled his application blank for transportation to Monrovia, Liberia.

Next meeting will be held April 5th, when we hope to entertain twice our numbers. Invitation cordially extended the public.

Joseph D. D. Rivers, proprietor of The Colorado Statesman for many years, filling the position of Asst. Sergeant-at-Arms, and who has been so diligent in his duties in the House of the Legislature that he receives from the Speaker, other members, officers and employees, individually and collectively, expressions of appreciation for his faithful and untiring services. Mr. Rivers is popularly known by government officials, business men, merchants great and small, and is a welcome visitor whether in business or social life among the thousands of his people in Denver and other parts of Colorado, also the other mid-western states, his news journal having a very large circulation in a number of the western states. This is the third time Mr. Rivers has served the Legislature with an interval of several years, having been always big enough to give way to the other fellow, but being requested this time, he accepted, and has given that satisfaction which commands itself to the authorities. A staunch Republican, proud of his party and invincible in combatting his opponents, he is growing older but getting wiser in championing the cause of his people and advocating fearlessly their rights as American citizens to CIVIL LIBERTY and FREEDOM'S RIGHT.

WOODLAND, CALIF., NEWS.

Easter Sunday was a big day at the Second Baptist Church. At 11 a. m., Pastor Rev. Muse certainly preached a wonderful Easter sermon. It was instructive and spiritual; our hearts were made to rejoice over this great message taken from Matt. 28:36. "He is Risen, as He Said." At this service the following named persons were added to the church: Mrs. Stanley and Mrs. Montgomery, by experience; Mrs. David Miller, reclaimed. Miss Thelma Reed and Master Harold Keith, who were converted in the revival meeting here in January, were baptized at the conclusion of the morning service.

The Easter program for Sunday night was something grand and enjoyed by a large audience. Mesdames J. T. Muse, O. H. Earl and Fred Hayes deserve much credit for the splendid training of these boys and girls for this occasion.

The Young People's Progressive Club and the B. Y. P. U. give a big reception in honor of Miss J. M. Gayles at the Second Baptist Church, Friday night, March 25th. Miss Gayles departed Saturday morning for Oakland, Calif., where she expects to make it her future home. Mr. Ed Gaitther, president of the club, spoke in the behalf of it, and Miss A. Widener, vice president of the B. Y. P. U., spoke in the behalf of the Union. Several songs, recitations and readings made up a very timely program. Remarks by Rev. Muse and also Dr. J. M. Riddle, the field missionary. Miss Gayles had a lovely farewell address. At the conclusion of the program refreshments were served in the social hall of the church. There were between fifty and sixty people to bid Miss Gayles farewell. Miss Gayles is a member of the Second Baptist Church, and we don't believe that her equal can be found anywhere when it comes to the great question of duty and loyalty to the church. She is a fine young lady and loved by all, both young and old.

An All-British Bird.

The red grouse—probably the most sporting bird that flies—has never been known to nest outside the limits of the British Isles. This bird flourishes in every Scottish county and in most counties of Ireland and Wales. In England the grouse thrives only as far south as Derbyshire, all attempts to stock more southern districts, even when apparently suitable for the purpose, having proved failures, though some grouse survived for quite a long time after such an experiment in the Thetford district.

Beauty as a Business Asset.

I can't recall when I have seen a homely girl in charge of the reception room of a business office. It has long since dawned on employers that beauty makes an excellent first impression, and, moreover, that beauty whether in a girl or the wallpaper, boosts the office morale.—The Nation's Business.

Doggie Surely Lost.

Junior's dog, Rex, had a collar with his name and address engraved on it. One day the boy let the dog go out. Later he discovered that he had forgotten to put the dog's collar on "Oh!" said the child, "now he's sure to get lost. How will he ever know where he lives without his collar?"
