Y. M. C. A. NOTES

With the beginning of the new year it is expected that new plans and efforts will be put into effect with reference to our work. A splendid course of educational talks for business men has been prepared, and will be started just as soon as the meetings of the different churches are somewhat over. Also a fine course of religious talks by well known ministers of the city. Socials, both for men and boys, are also being planned, which will add

and learn what the board of directors are planning for our men and boys, and what the committee of manage ment is hoping to put over.

Owing to the funeral services of Mr. Muse, a member of the branch, last Sunday afternoon, no meeting was held. The first meeting of the new year therefore will be held tomorrow (Sunday) afternoon at the "Y" building. The Rev. Father Rahming, the new young rector of the Church of the Redeemer, will be the speaker. He is a fine scholar and a most agreeable young man, and will give a good talk. The meeting will begin promptly at four o'clock. All are cordially invited to attend.

The Universal Negro Improvement Association and African Communities League meet every first and third Tuesdays in the month at 609 Twentyseventh street, 8:15 p. m. sharp. Visitors welcome.

EDWARD C. DAVIS, Secretary.
